Terms and Conditions

1. To be eligible for the LiveSmart BC Residential EV Charging Station Rebate Program (the 'Program') all terms and conditions must be met to LiveSmart BC's satisfaction.
2. The rebate offer is limited to British Columbia residents who are the registered owners (or have a subsisting lease of) a battery electric vehicle or plug-in hybrid electric vehicle that is on the list of vehicles eligible under the Clean Energy Vehicle Program. A copy of the vehicle registration and/or lease agreement must be submitted to LiveSmart BC with this Application in order to qualify for the rebate.
3. A rebate cheque is generally mailed within 10-12 weeks unless your Application is selected for verification, which may result in additional processing time.
4. The Electric Vehicle Charging Station ("EV Charging Station") must be purchased, paid for in full and installed between December 1, 2011 and March 31, 2013 and the Application and itemized receipt for the EV Charging Station (including retailer name, address and phone number, purchase date and price, product make and model) must be submitted to LiveSmart BC up to 90 days of the EV Charging Station purchase in order to qualify for the rebate. All applications **must be postmarked no later than March 31, 2013**.
5. The EV Charging Station must be a model included on the 'Eligible Products List' found at http://www.livesmartbc.ca/incentives/transportation/ev_charging_station_eligible_products.pdf
6. Any rebate(s) discount(s) and/or incentives offered and/or provided by any manufacturer, distributor dealer and/or installer, are separate and distinct from this Program. Her Majesty the Queen in Right of British Columbia (the "Provincial Government") will not be responsible for any rebate(s), discount(s) and/or incentive(s) offered and/or provided by any manufacturer, distributor, dealer and/or installer.
7. Only one application will be accepted for each individual household/residential unit.
8. Application forms must be accurately and fully completed and must be submitted to the Provincial Government, LiveSmart BC Program with all supporting documents (itemized receipt for EV Charging Station and copy of vehicle registration and / or lease agreement). Completed Application forms and copies of supporting documents must be postmarked no later than 90 days after the EV Charging Station purchase date as evidenced by the corresponding sales receipt. The Provincial Government will not be responsible for any late, lost, incomplete, illegible, misdirected, stolen, delayed, damaged, destroyed application forms, or otherwise failures or circumstances affecting, disrupting or corrupting the Program. The Provincial Government is not responsible for returning incomplete or otherwise ineligible applications.
9. Only those EV Charging Station purchases which occur within the announced Program period (December 1st, 2011- March 31st, 2013) will be considered by LiveSmart BC for rebate eligibility. All receipts need to be postmarked no later than March 31, 2013.
10. The Provincial Government reserves the right at any reasonable time to verify the purchase of the EV Charging Station. A rebate may not be paid if supporting materials refused, or if the applicant has failed to comply with any requirement of the Program.
11. The Applicant agrees that the selection, purchase, installation and ownership/maintenance of the EV Charging Station listed in the application form are the applicant's sole responsibility and that the providers of same is/are not affiliated with the Provincial Government or any LiveSmart BC Programs. The Provincial Government makes no representation, warranty, whether expressed or implied in respect of any such equipment, services or measures that the Applicant has chosen and applied a rebate for. The Applicant agrees that the Provincial government, its employees and representatives have no liability concerning the installation, performance, use or fitness of the same for the Applicants' purpose.

12. The Applicant is responsible for meeting all Program requirements and complying with any laws, regulations or by-laws regarding permits, codes, restrictions or inspections in relation to the EV Charging Station installed.
13. The Provincial Government decisions relating to the Program, including without limitation product acceptability, customer eligibility and the amount of rebate, shall be final and binding and not subject to appeal.
14. The Provincial Government reserves the right to change or terminate the Program at any time without notice. A completed eligible Application form received prior to a change or termination of the Program will be administered in accordance with the Program as it existed effective as of the postmarked date of the Application.
15. The commitment of the Provincial Government to provide rebates under the program is subject to the Financial Administration Act, which makes any obligation to pay subject to an appropriation being available in the fiscal year of the Province during which payment becomes due.
16. The applicant consents to the Electric Utility Provider or the Provincial Government contacting him/her (by phone, direct mail or similar method) for the purposes of administering, evaluating and researching all elements of the Program. The applicant further agrees that Electric Utility Provider may access the utility account data (if applicable) they have about the applicant, including energy consumption for a period of 60 months before and after program participation, for purposes of: (i) confirming eligibility, processing incentives and/or evaluating the effectiveness of the program, and (ii) undertaking analysis and research to inform changes to existing programs and the design of new programs. The applicant also agrees that aggregated information about electric vehicle charging station owners electricity usage will be shared with the Provincial government by the Electric Utility Provider. The Provincial Government administers the Residential EV Charging Station Rebate Program and related activities under the BC Clean Energy Vehicle Program.
